Ministry News

Our God is an awesome God! While these last two months have been filled with praying and listening, God has answered!!! In some instances, it is not what we expected, but we know God's plan is perfect. (Jeremiah 29:11-13 and Isaiah 55:8-9)

KYKD-Bethel

As you may recall from our March newsletter, the missionaries stationed in Bethel at radio station KYKD are leaving in the middle of June.

This is sad news however we are praising God that he has provided a short-term missionary couple who will be spending the summer in Bethel and running the radio station. Please be in prayer for Bill and Bonnie as they transition from Blairsville, Georgia to Bethel, Alaska. Also, please be in prayer for what comes next for KYKD.

Translators

We are still waiting on the FCC permission to broadcast in two villages. Meanwhile, God has provided us the time and resources to install radio translators in the villages of Allakaket, Hughes, and Perryville during the month of April.

We also were privileged to learn of a young woman who accepted Christ into her life in the Native village of Perryville. Please be in prayer that she will begin to build good roots in God's word.

During the month of May, God saw fit to have us install in the village of Eagle. In this village, a young single mother has been blessed by the Bible teaching that we air on our radio station. We have one more translator to

install in Prudhoe Bay before the end of June. Then before the beginning of November, there are 6 to be installed. Please be in prayer that God will provide what is necessary to meet these deadlines.

KAGV-Houston

Another wonderful blessing was having Jerry, a volunteer from Washington, come and man the KAGV radio station. This allowed us the freedom from the radio station to travel and install translators. Thank you Jerry and Rosalyn for your wonderful service and sacrifice.

During the last week of May, VFCM had their bi-annual board of directors meetings. Everyone enjoyed the opportunity to get together as one big family. Praise God with us that some productive decisions and policies were made.

Personal Update Newsletter Distribution

First, we would like to thank all of you who responded to our desire to lower our communication costs. We had many responses and you should be receiving this newsletter via your preference.

Please let us know if you would like to receive our newsletters via a different delivery system or if you would like to be removed from our list. Our desire is to communicate with those who are interested in our work here in Alaska.

Home Building

Amongst the translator installs, we also were able to make some progress on our house. The base cabinets in the kitchen have been installed which has created for us a usable kitchen area for the first time in over a year!

Also, other volunteers from Washington, Don and Dewey came and helped with the on-going construction project. After some wonderful laughs, lots of hard work and sweat, we now have all three flights of stairs installed. Thanks guys!

Coming Arrival

On another exciting note, in the month of April, we learned that we will be expecting our first child. Due in the middle of November, we are praying the God will provide good health for both the baby and Kristan.
